

## Investor Relations Websites

Tell your investment story with an engaging, dynamically updated IR website.

Give your stakeholders the information they need, in real time and on any device. We'll work with you to build and manage an IR website that's intuitively designed, highly optimized and fully compliant. Present your financials, events and ESG initiatives and make your company information easy to find, improving transparency and accessibility for investors.

With a dedicated Website Service Manager and customer support that's always available, you'll have the resources and expertise you need.

Our global team manages a portfolio of more than 3,300 sites. It's easy to see why Intrado Digital Media is the industry leader.

## IR Website Features

<h3>Content Management &amp; Automation</h3> <p>Access one of most flexible and feature-rich content management systems (CMS) available and rely on automated feeds of your key content.</p>
