Discover why you should partner with GlobeNewswire, a global newswire service operated by Intrado Digital Media.

Why Become a GlobeNewswire Newsfeed Media Partner?
Our newsfeed lets you expand your reach and increase audience size with one of the world’s largest news distribution networks.

Enhance your newsroom content with our specialized newsfeed. We offer high-level targeting and efficient distribution, including earning announcements and press releases to investors, journalists, newswires, websites, and business professionals worldwide.

Our customized newsfeed and delivery options keep audiences informed of relevant content in real time, attracting a quality readership. GlobeNewswire’s distribution network is here to support all news and content needs with multimedia integration options such as photos, images, infographics, videos and more to increase audience interest.

Why Do Companies Rely on GlobeNewswire?
Our time-tested news distribution expertise, our reliability, and our ability to reach audiences far and wide enables GlobeNewswire to distribute news to the media, financial outlets and online trade communities.

GlobeNewswire publishes official information directly from accredited sources. And every day, our media and news content partners rely on GlobeNewswire to deliver this information to them in real-time newsfeeds, sharing our customers’ news content around the world.

GlobeNewswire at a Glance:
• 1,000+ media partners
• 500,000+ media contacts
• 230,000+ releases published
• Distribution to 90+ countries and in 30+ local languages
GlobeNewswire Newsfeed Features:

- Original, full-text corporate press releases from public and private companies
- Multimedia content, including photos, videos and company logos
- Metadata filtering options for customized delivery and information processing
- Delivery methods such as RSS, FTP or email
- Financial tables in a web-friendly format with Microsoft Excel compatibility

Get News from Public Companies

Regulatory requirements, including Regulation Fair Disclosure (REG FD), mandate that publicly traded companies release information about material corporate developments to all investors simultaneously.

Thousands of public companies use GlobeNewswire to distribute their material corporate announcements to investors. In turn, we can provide our partners with highly sought-after content.

A Closer Look at Our Newsfeed Distribution Model:

- Content can be used for internal or external display of releases
- Users are free to sort and filter information received through the newsfeed
- Newsfeed is available in real time, 24-hours a day, 7 days a week
